please note this is a companion version not the original book sample book insights 1 the best news a human could receive is the

news that jesus christ died for their sins and rose again it is the only thing that makes everything we do worthwhile even though we are just flawed people in a broken world 2 the world that god created was perfect but when man and woman stepped outside of god s ordained plan everything was scarred by sin when god saw his world ravaged by sin he devised a plan to fix it 3 the announcement of the kingdom of god is a brief sentence in the gospel of mark it is a practical and intensely personal hope that gives meaning to the harsh realities of the fall the kingdom of god is not a political or physical rule but a within you kingdom that will be won in human hearts 4 the good news is that christ has come to change people not in the self absorbed sense our culture assumes the kingdom is about the display of god s glory and people who are holy this is what he came to produce

by all indications the western church is facing a crisis of pastoral ministry pastoral ministry is on a trajectory of decline despite the fact that god has opened a massive mission field on our doorstep a mission field that requires workers moreover we continue to export the same model of ministry to the global church inviting them to join us in the state of crisis in matthew 9 37 38 jesus invites his disciples to consider the vast harvest of souls god has prepared a harvest awaiting workers if we want to see our churches healthy and our neighbours come to know jesus we must be interested in god s work to prepare workers for the harvest this book is an attempt to repair what is broken to contribute to the repair of pastoral ministry i am convinced that no problem is more urgent to the church globally than this one yet i am also convinced the solution to this problem is quite simple this book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church part 1 identifies significant reasons why we are in a crisis part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and part 3 shows how this foundation can be built upon in the life of a local church
